

Sacred Journey for Pets

You may not like to think about it, but you will probably outlive your pet.

HAVE YOU PREPARED FOR THIS?

Just as we need to plan for our own future, we need to do the same for the pets that we love. Making decisions and plans now can give you piece of mind and tranquility and avoid the unnecessary pain, turmoil, and stress of making critical decisions at one of the worst times in your life.

I will work with you to put plans in place now.

- Legacy - how will your pet be remembered.
- Rituals - what rituals will you want.
- End of life decisions - comfort care, euthanasia.
- Funeral - burial, cremation, other.
- Grief – I will be there for you.
